9. Two for One

Delicious wine and port tasting in cozy Johnny Stern's in Kibbutz Tuval. Just the drive to the kibbutz is more than worth it. The grapes are grown in the Golan Heights and Galilee.

10. A Special Winery

Overlooking the vineyards and the beautiful Galilean scenery you will find a boutique winery, located in Kishorit, a unique village for adults with special needs. Tour the vineyards and winery, walk among the fragrant oak barrels, learn about the process of wine-making, taste their wines, and watch a film about this special place.
